Assistant Director, OSO
(Attention: [redacted])
Assistant Director, [redacted]

International Communist Travel Movements

1. With further reference to your memorandum of 13 June concerning International Communist movements, attached hereto is a list of references compiled by the OSO Committee on International Communism for the month of July. The second and third half-monthly test runs are combined.

2. No further list of references to international Communist travel movements will be submitted until it has been established that the lists are of value to OSO.
